Reading

In Year 2 we revisit and consolidate sounds covered in Year 1, We then introduce Linguistic Phonics and work on stages 1-4. Tricky words that do not follow the sound patterns need to be learnt using the 'look and say' approach.

Pupils need to read daily. We have silent and modelled reading time in school each day and guided reading activities with the class teacher. Please complete any reading activities homework sent home and actively encourage reading at bedtime.

Writing, punctuation and grammar

We will be concentrating on correct formation of lower and upper case letters and move towards writing on lines in the third term. We focus on basic sentence structure, using capital letters, full stops and question marks as appropriate.
