## Graphics to use on your Open Day/Night

As part of our work to promote the forthcoming admissions process, we have developed graphics for you to use during your Open Night/Day communication with parents. The graphics can also be shared on your pre-schools' and schools' social media and web channels, and have been sent as attachments with this newsletter.

The QR code on the graphics can be scanned using a camera phone and will link directly to the EA website. Parents can copy the web address into their browser if preferred.

We hope you find them useful in communicating the key dates in the admissions process with parents. A social media toolkit is currently being developed and will be shared with you in December 2023.
